- GPS Locations 55

There are some popular swimming holes in a few locations around the Trail System. It is appreciated if horses were not watered in these locations to reduce potential user conflicts. Thank You.

The trails shown on this map are not limited to horse use, and users should expect to see a variety of users on this trail system. None of the roads or trails on this map are open to ATV/UTV use. Car and Truck use is limited to the roads that are posted open to motor vehicles. People should check with the Lewis County Department of Recreational Trails for roads and trails that are open to ATV's. On Forest Preserve Lands, snowmobiles are only allowed on designated trails.

Temporary camping in one location for 4 nights or more is prohibited except under permit. No temporary camping permit may be renewed, or a new permit issued, to the same person for the same location in the same calendar year. No group of 10 or more individuals may camp on State lands at any time except under permit.
